1. Monthly access to attorney or Paralegal for quick advice.

When working with an attorney or law firm it is always difficult to make time with an attorney and especially for them to call you back. When you invest in our GC package you have direct access daily to legal advice via a Telegram chat and/or phone calls.

2. Contract Review/Drafting [English, Spanish, Italian].

Running a business undoubtedly involves having to draft a plethora of contracts for vendors, employees, contractors, etc. as well as having to review the contract of third parties. Feel secure you are agreeing to the correct terms by allowing Bolimini to draft and review contracts on your behalf. We also have the capability to conduct all your contract needs in (3) languages.

3. Contract Negotiation with third parties.

Whether you are involved in a dispute or you just need Counsel on your side during a contract negotiation, we can do the heavy lifting by doing the negotiation for you. We will work with you to negotiate the best terms for your company.

4. Mergers & Acquisitions.

Buying another company can be a great way to scale your business and increase market share. However, making sure you are getting the best deal takes a lot of due diligence. Let Bolimini conduct due diligence on your behalf to assess the purchase, the risks involved and the viability of a successful takeover/merger.

5. Intellectual Property Assessment, Filing & Maintenance.

Protecting your brand and Intellectual Property is tremendously important for building a business. Let us work with you to protect your Intellectual Property by filing the appropriate paperwork on a worldwide basis. Moreover, allow us to protect your IP by diligently making sure nobody else copies your brand.

6. Global Brand Strategy.

Building a brand is not just about picking a name and going with it. Some companies spend hundreds of thousands of dollars on marketing professionals to do market research and develop a brand look and feel. We have an in house design team that can help you come up with a brand strategy in a cost effective manner.

7. Procurement & Supply Chain Support

Procuring goods and services can be challenging for a company given a variety of moving parts. Let us help you draft effective Master Service Agreements, Statements of Work, RFP's. etc. so that you are getting the best contractors to support your business needs.

8. HR Legal Support.

Managing staff can be a challenge. Bolimini can help your company develop an Employee Handbook and Employee Agreements. Moreover, some employee conduct can be tenuous and stress inducing, so allow us to help you document those situations and find an appropriate path forward.
